Reakgona Disability Centre is a centre of excellence- first of its kind in the country. It is well equipped with advanced enabling technology to facilitate teaching and learning of students with disabilities, for example visually impaired students, physically disabled students and students with severe medical conditions.

To achieve its goals, the RDC provides the following services:

- Orientation and Mobility training for blind students
- Low Vision Reading facilities for partially sighted students
- Audio and Braille library services
- Computer laboratory with computers having a JAWS programme installed for use by blind students
- Braille production facilities for the conversion of print into braille

For the student to qualify for services in the RDC, the Centre must be provided with proof of disability or medical condition from a doctor or a medical professional. The report must state that you are legally visually or physically disabled or have a medical condition that significantly limits functioning in one or more areas including but not limited to, reading, writing, travel or other activities of daily living. Students are not forced to disclose their disabilities to the University, but you should carefully consider the advantages of doing so.

General Admission Requirements

1. National Senior Certificate (NSC) with Bachelor exemption
Prospective students, with an NSC, who wish to gain entry to any undergraduate programme at the University of Limpopo, should comply with the following:

- Life Orientation with an achievement level of at least three (3).
- Aligned with the language policy of the university, English as a language of learning and teaching with an achievement level of at least three (3).
- The required minimum levels of achievement in specific subjects as stipulated in the Calendars of each Faculty, provided that:
  - ✓ Four 20-credit subjects were achieved with a minimum NSC achievement level of four (4) for degree programmes and
  - ✓ Four 20-credit subjects were achieved with a minimum NSC achievement level of three (3) for diploma programmes.
- The required Admission Point Score (APS) as stipulated in the Calendars of each Faculty.

Meeting the minimum APS for a particular programme does not, however, guarantee admission.

2. Matriculation Certificate (prior 2008)

- Students, who successfully completed Grade 12 before 2008, can apply for admission to the University with the normal Grade 12 Senior Certificate with full university exemption by converting their grade symbols to an APS.

3. National Certificate (Vocational)

- Students who have successfully completed a National Certificate Vocational NC(V) Level 4 qualification will require the following and will be subject to Faculty Admission Specifications and Placement Tests:
- NC(V) level 4 certificate with 3 fundamental subjects 60% (Life Orientation included) and 4 relevant vocational subjects at 70% for degree programmes.
- NC(V) level 4 certificate with 3 fundamental subjects 50% (Life Orientation included) and 3 compulsory vocational subjects at 60% for diploma programmes.

4. The Admission Point Score (APS) system
The system is a simple calculation, using your NSC or Grade 12 university exemption results, which can be done by any prospective student to determine if he/she meets the minimum requirements to gain entry into:

- The University of Limpopo
  and
- A specific programme of choice offered by a Faculty within the University.

Meeting the minimum APS for a particular programme does not, guarantee admission.

The calculation is done by the addition of the achievement levels in six (6) recognised 20 credit subjects as stipulated by specific requirements of the Faculties. Achievement levels are as follows **(Note Life Orientation is not used in the APS calculation):**

NSC Achievement Level	NSC %	Senior Certificate Higher Grade	Senior Certificate Standard Grade	APS	NC(V)
7	80-99	A		7	5
6	70-79	B	A	6	4
5	60-69	C	B	5	3
4	50-59	D	C	4	3
3	40-49	E	D	3	2
2	30-39	F	E	2	1
1	0-29	G	F	1	1

5. Qualifications other than the NSC

Prospective students should get verification of the qualification from Universities South Africa (USAf).
More information can be obtained from **www.usaf.ac.za.** Prospective students with matriculation qualifications from outside the borders of South Africa, can also contact the **International Office on Tel: +27 (0) 15 268 3046; Email: Internationaloffice@ul.ac.za**

6. Extended Curriculum Programmes (ECP)
The extended curriculum programmes offered at the University are linked to the corresponding approved regular undergraduate degree programmes, but allow students an additional year to achieve the learning outcomes.

7. Selection Tests
Admission into the Bachelor of Social Work (BSW), Bachelor of Education in Foundation Phase Teaching (BEd (Foundation Phase Teaching)) and Bachelor of Psychology (BPsych) is also dependent on the applicant passing a selection test over and above the minimum admission requirements for each programme. Additional requirements must be met for programmes in Education, Psychology, Social Work and Medicine

8. Recognition of Prior Learning
The University accepts applications based on the Recognition of Prior Learning (RPL) access pathway. Interested applicants should send the enquiries to enrolment@ul.ac.za

International Student

Admission Requirements

To be considered for Undergraduate admission, international applicants must qualify for a Matriculation Exemption from the South African Matriculation Board, they must meet the University of Limpopos' language requirements, and they must meet the minimum Faculty entry requirements as indicated. The medium of instruction and examination at UL is English.

Minimum requirements

The minimum requirement for admission is a Matriculation Exemption or completion of O and A level examinations. If you only have the O level or IGCSE examinations, you will not be eligible for a Matriculation Exemption; you should complete the first year of study at your home University before applying to the University of Limpopo. Upon completion of first year of study, you can then apply for foreign conditional exemption from the Matriculation Board / Universities South Africa (USAf) formally known as Higher Education South Africa (HESA). For students who have matriculated or acquired their degree (s) outside South Africa, you are required to have the evaluation certificate before applying to study with the University of Limpopo. Those who intend to enrol for undergraduate degrees, are required to first apply for the evaluation certificate from USAf.

*NB. Before registration (or renewal of registration) all International Students must provide proof of VALID STUDY VISA and VALID MEDICAL AID COVER
Full details of matriculation regulations are given on the Matriculation Board website: www.usaf.ac.za or www.saqa.org.za

First time application for a study permit requirements:

a. Department of Home Affairs application form (BI-1738)
b. Valid passport which must be valid for at least 30 days after the end of your proposed stay in South Africa, otherwise your permit will only be granted for the period up to 30 days before the expiry date. It should also have at least one unused page left when arriving in South Africa.
c. Application fee for the permit. This is non-refundable even if your permit is refused.
d. An official letter from UL confirming provisional acceptance and the duration of the Course. This is a letter from the relevant Faculty offering a study place, together with proof of your acceptance of the offer.
e. Medical and radiological reports *(less than a month old)
f. Yellow fever vaccination certificate if relevant
g. Relevant certificate if married, widowed, divorced or separated
h. Proof of medical insurance cover registered and/ or recognised in South Africa
i. Details regarding arranged accommodation, if any
j. Proof of sufficient funds to cover tuition fees, maintenance and incidental costs
k. A police clearance certificate (less than 6 months old)
l. A deposit (a cash amount not exceeding the cost of a single ticket to the applicants' country of origin.) Students from other African countries are not required to pay this deposit provided that the government of their country submits a written statement undertaking to pay all costs relating to deportation of the student should it become necessary.

***Please note that the documents must be originals or certified copies**

Disclaimer:

- **The University of Limpopo reserves the right to withdraw, add or amend any programme or any information in this prospectus without prior notification.**
- **Fulfilling the minimum admission requirements does not guarantee admission into a study programme (degree, diploma or certificate) at the University of Limpopo, as the University has limited number of places available.**
